In an effort to protect the rights of copyright owners, the Company maintains a policy for the termination, in appropriate circumstances, of users of ESign App who are repeat infringers.

9. SUBSCRIPTIONS

- **Subscription.** ESign App mobile application offers a subscription that allows you to import or scan, add a signature, and share any document as a PDF or JPG file. The terms, content, and limits of Service may vary depending on the country of use and the specific subscription chosen. Please note that the contents of the subscription may be modified at any time. By starting a subscription, you agree that it will automatically renew at the end of each billing period unless you cancel before the current period ends. You also acknowledge and agree that your purchase is for a recurring subscription service, and is not contingent on any future functionality, features, or dependent on any oral or written public statements or comments made by us regarding such future functionality or features.
- **Billing.** You may purchase the subscription directly from ESign App or through a third party by paying a subscription fee plus applicable taxes in advance on a monthly basis or some other recurring interval disclosed to you prior to your purchase.
- **Trial.** Some of our subscriptions may include a trial period, where you can experience the application for a specified period at a reduced price (“**Trial**”). Subscriptions with the Trial period will automatically renew to a paid subscription once your Trial expires.
- If you purchase access to the subscription through a third party, separate terms and conditions with such third party may apply in addition to these Terms of Use. Please contact the third party regarding any refunds or to manage your subscription.
- **Refund Policy.** For assistance with refunds, please contact our support team at support@e-sign.co in accordance with our [Refund Policy](#).
- **Price and tax changes.** The Company may from time to time make changes to the subscription, including recurring subscription fees, and will communicate any price changes to you in advance. Price changes will take effect at the start of the next subscription period following the date of the price change and, by continuing to use the subscription after the price change takes effect, you will have accepted the new price. If you don't agree to a price change, you can reject the change by unsubscribing from the applicable subscription prior to the price change going into effect.

Tax rates or other fees are based on the rates applicable at the time of your monthly charge. These amounts can change over time with local tax requirements in your

country, state, territory, county, or city. Any change in tax rate will be automatically applied based on the account information you provide.

- **Renewal and Cancellation.** Your payment to ESign App or the third party through which you purchased the subscription will automatically renew at the end of the applicable subscription period. You should cancel your subscription or Trial before it renews to avoid the billing of the fees for the next subscription period. To comply with the FTC's Click-to-Cancel Rule, we ensure that canceling your subscription is as simple as signing up. You may cancel your subscription at any time directly through your device settings, with no additional steps required.

You can cancel the renewal of your subscription at any time by following the instructions below:

Open the Settings app > Tap your name > Tap Subscriptions > Tap the subscription > Tap Cancel Subscription

or

Open the ESign App > Tap Settings > Tap Manage subscription > Tap Cancel Subscription.

If you purchased your subscription through a third party, please cancel directly through that provider's subscription management system.

For any questions or assistance with the cancellation process, contact our Support team at support@e-sign.co. However, please note that cancellation must be completed through your account as described above, and support cannot process cancellations on your behalf.

- **Disputes and Liability.** Any disputes regarding payments processed through the third parties must be resolved directly with the respective payment provider. Our liability is limited to confirming the successful completion of transactions on our platform.

10. INDEMNIFICATION

You agree to defend, indemnify, and hold the Company, its officers, directors, employees, agents, affiliates, representatives, licensors, suppliers, partners, advertisers, and content providers (together referred to as "**ESign App Parties**"), harmless from and against any claims, actions, demands, liabilities and settlements including without limitation, reasonable legal and accounting fees, arising out of or resulting from, or alleged to result from, your violation of these Terms of Use.

11. LIMITATION OF LIABILITY; WAIVER

Under no circumstances will the ESign App Parties be liable to you for any loss or damages of any kind (including, without limitation, for any direct, indirect, economic, exemplary, special, punitive, incidental or consequential losses or damages) that are directly or indirectly related to:

- a. the Service;
- b. the ESign App content;
- c. user content;
- d. your use of, inability to use, or the performance of the service;
- e. any action taken in connection with an investigation by the ESign App parties or law enforcement authorities regarding your or any other party's use of the Service;
- f. any action taken in connection with copyright or other intellectual property owners;
- g. any errors or omissions in the Service's operation; or
- h. any damage to any user's computer, mobile device, or other equipment or technology including, without limitation, damage from any security breach or from any virus, bugs, tampering, fraud, error, omission, interruption, defect, delay in operation or transmission, computer line or network failure or any other technical or other malfunction, including, without limitation, damages for lost profits, loss of goodwill, loss of data, work stoppage, accuracy of results, or computer failure or malfunction, even if foreseeable or even if the parties have been advised of or should have known of the possibility of such damages, whether in an action of contract, negligence, strict liability or tort (including, without limitation, whether caused in whole or in part by negligence, acts of god, telecommunications failure, or theft or destruction of the service).

In no event will the ESign App Parties be liable to you or anyone else for loss, damage or injury, including, without limitation, death or personal injury. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. In no event will the ESign App parties total liability to you for all damages, losses or causes or action exceed one hundred United States dollars (\$100.00).

You agree that in case that you incur any damages, losses or injuries that arise out of ESign App's acts or omissions, the damages, if any, caused to you are not irreparable or sufficient

to entitle you to an injunction preventing any exploitation of any web site, service, property, product or other content owned or controlled by the ESign App Parties, and you will have no rights to enjoin or restrain the development, production, distribution, advertising, exhibition or exploitation of any web site, property, product, service, or other content owned or controlled by the ESign App Parties.

12. RELEASE

By accessing the Service, you understand that you may be waiving rights with respect to claims that are at this time unknown or unsuspected, and in accordance with such waiver, you acknowledge that you have read and understand, and hereby expressly waive, the benefits of section 1542 of the civil code of California, and any similar law of any state or territory, which provides as follows: "*a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.*"

ESign App is not responsible for the actions, content, information, or data of third parties, and you release us, our directors, officers, employees, and agents from any claims and damages, known and unknown, arising out of or in any way connected with any claim you have against any such third parties.

13. DISCLAIMERS

We do not control, endorse or take responsibility for any third-party content linked to ESign App. You acknowledge sole responsibility for and assume all risks arising from your use of any third-party websites or resources. **YOUR CORRESPONDENCE AND BUSINESS DEALINGS WITH THIRD PARTIES FOUND THROUGH THE SERVICE ARE SOLELY BETWEEN YOU AND THE THIRD PARTY.**

Your use of ESign App is at your sole risk. ESign App is provided "as is" and "as available" without warranties of any kind, either express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement. In addition, we do not represent or warrant that ESign App is accurate, complete, reliable, current or error-free, free of viruses or other harmful components. You assume the entire risk as to the quality and performance of ESign App within your use.

Municorn Limited is not liable if the Service fails to meet the customer's expectations or if there are issues with third-party network coverage or speed.

14. THIRD-PARTY SERVICES AND LINKS

You are solely responsible for your interaction with other users of the Service, whether online or offline. You agree that ESign App is not responsible or liable for the conduct of any user. ESign App reserves the right, but has no obligation, to monitor or become involved in disputes between you and other users. Exercise common sense and your best judgment when interacting with others, including when you submit or post Content or any personal or other information.

You may choose, at your sole and absolute discretion and risk, to use applications that connect the Service or your profile on the Service with a third-party service (each, a "Third-Party Application") and such Third-Party Application may interact with, connect to or gather and/or pull information from and to your Service profile. By using such Third-Party Applications, you acknowledge and agree to the following:

- if you use a Third-Party Application to share information, you are consenting to information about your profile on the Service being shared;
- your use of a Third-Party Application may cause your personal data to be publicly disclosed and/or associated with you, even if ESign App has not itself provided such information; and
- your use of a Third-Party Application is at your own option and risk, and you will hold the ESign App Parties (defined below) harmless for activity related to the Third-Party Application.

15. U. S. ARBITRATION

FOR UNITED STATES RESIDENTS ONLY: Please read the following Section carefully because it requires you to arbitrate certain disputes and claims with the Company and limits the manner in which you can seek relief from us.

Except for small claims disputes in which you or the Company seek to bring an individual action in small claims court located in the county of your billing address or disputes in which you or the Company seeks injunctive or other equitable relief for the alleged unlawful use of intellectual property, you and the Company waive your rights to a jury trial and to have any

dispute arising out of or related to these Terms of Use or the Company resolved in court. Instead, all disputes arising out of or relating to these Terms of Use or the Company will be resolved through confidential binding arbitration held in Santa Clara County, California in accordance with the Streamlined Arbitration Rules and Procedures (“**Rules**”) of the Judicial Arbitration and Mediation Services (“**JAMS**”), which are available on the JAMS website and hereby incorporated by reference. You either acknowledge and agree that you have read and understand the rules of JAMS or waive your opportunity to read the rules of JAMS and any claim that the rules of JAMS are unfair or should not apply for any reason.

You and the Company agree that any dispute arising out of or related to these Terms of Use or the Company is personal to you and the Company and that any dispute will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding.

You and the Company agree that these Terms of Use affect interstate commerce and that the enforceability of this Section will be substantively and procedurally governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. (“**FAA**”), to the maximum extent permitted by applicable law. As limited by the FAA, these Terms of Use and the Rules, the arbitrator will have exclusive authority to make all procedural and substantive decisions regarding any dispute and to grant any remedy that would otherwise be available in court; provided, however, that the arbitrator does not have the authority to conduct a class arbitration or a representative action, which is prohibited by these Terms. The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual’s claims, preside over any type of class or representative proceeding or preside over any proceeding involving more than one individual. You and the Company agree that for any arbitration you initiate, you will pay the filing fee and the Company will pay the remaining JAMS fees and costs. For any arbitration initiated by the Company, the Company will pay all JAMS fees and costs. You and the Company agree that the state or federal courts of the State of California and the United States sitting in Santa Clara County, California have exclusive jurisdiction over any appeals and the enforcement of an arbitration award.

ANY CLAIM ARISING OUT OF OR RELATED TO THESE TERMS OR THE COMPANY MUST BE FILED WITHIN ONE YEAR AFTER SUCH CLAIM AROSE; OTHERWISE, THE

CLAIM IS PERMANENTLY BARRED, WHICH MEANS THAT YOU AND THE COMPANY WILL NOT HAVE THE RIGHT TO ASSERT THE CLAIM.

You have the right to opt out of binding arbitration within 30 days of the date you first accepted the terms of this Section by notifying the Company in writing. The notification must be sent to support@e-sign.co under the subject "Arbitration Opt-out".

In order to be effective, the opt-out notice must include your full name and clearly indicate your intent to opt out of binding arbitration. By opting out of binding arbitration, you are agreeing to resolve Disputes in accordance with Section 14 (Governing Law) below.

16. GOVERNING LAW

These Terms of Use and any claim, controversy or dispute arising out of or related to these Terms of Use shall be governed by and construed in accordance with the laws of the Republic of Cyprus without giving effect to any conflicts of law provision. The courts of the Republic of Cyprus shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms of Use (including any non-contractual disputes or claims), unless settlement by means of arbitration under Section 15 applies. To the extent permissible, the United Nations Convention on Contracts for the International Sale of Goods will not apply.

If any provision of these Terms of Use is held to be unlawful, void, or for any reason unenforceable during arbitration or by a court of competent jurisdiction, then that provision will be deemed severable from these Terms of Use and will not affect the validity and enforceability of any remaining provisions. ESign App's failure to insist upon or enforce strict performance of any provision of these Terms will not be construed as a waiver of any provision or right. No waiver of any of these Terms will be deemed a further or continuing waiver of such term or condition or any other term or condition. This dispute resolution provision will survive the termination of any or all of your transactions with ESign App.

17. ADDITIONAL TERMS APPLICABLE TO IOS DEVICES

However, you understand and agree that in accordance with these Terms of Use, the Company has disclaimed all warranties of any kind with respect to the iOS App, and therefore, there are no warranties applicable to the iOS App.
- **Product Claims.** You and the Company acknowledge that as between Apple and the Company, the Company, not Apple, is responsible for addressing any claims relating to the iOS App or your possession and/or use of the iOS App, including, but not limited to (i) product liability claims, (ii) any claim that the iOS App fails to conform to any applicable legal or regulatory requirement, and (iii) claims arising under consumer protection or similar legislation.
- **Intellectual Property Rights.** You and the Company acknowledge that, in the event of any third party claim that the App or your possession and use of the iOS App infringe third party's intellectual property rights, the Company, and not Apple, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim to the extent required under these Terms.

- Except as expressly set forth in these Terms of Use, the exercise by either party of any of its remedies under these Terms of Use will be without prejudice to its other remedies under these Terms of Use or otherwise.

The Section titles in these Terms of Use are for convenience only and have no legal or contractual effect.
